Work Experience

BB Computing

Position: Owner / Manager
Date: 2024 - current
My duties entail Strategic planning and Leadership, Network and Systems Management, Technical Support and Troubleshooting, Vendor and Contract Management, Project Management, Policy Development and Implementation, Data Management and Analysis, Innovation and Continuous Improvement.

NamPharm (Pty) Ltd

Position: Network & Server Administrator
Date: 2010 – 2023
At NamPharm my position entails making sure all hardware is functioning properly, which includes Administering the Firewall, Network (WAN & LAN), Servers (Windows, Linux, and VMWare), Anti-Virus server, Pastel Server, VIP Server, CCTV, Desktop, Printers, POS, and Scanners etc. I have installed Routers, Switches, Load balancer and done network cabling throughout my career systems.

Windhoek Country Club Resort & Casino

Position: Surveillance Shift Manager
Date: 2004 – 2010
In this role, I acted as a team leader during my shifts, overseeing not only my department but also the entire operations. My responsibilities included supervising staff and ensuring compliance with departmental policies and procedures by monitoring all departments using CCTV systems. At WCCR, the surveillance, security, compliance, and health and safety departments were combined, providing me with experience in all these fields.

ABB

Position: Training Electrician
Date: 2003 - 2004
Installing electrical equipment and cabling.

16 November 2023

Dear Hiring Manager,

I am writing to wholeheartedly recommend Brain Beukes as a candidate for any position that he chooses to pursue in the future. Having had the pleasure of working with Brain for the past 13 years at Nampharm, I can attest to his exceptional skills, unwavering reliability, and commendable dedication to his work.

Throughout his tenure with us, Brain consistently demonstrated a remarkable ability to take action and assume responsibility in a variety of challenging situations. His proactive approach and ability to foresee potential issues and address them promptly have been invaluable to our team. He has been a cornerstone in our operations, often going above and beyond to ensure that projects are not only completed but also excel in quality.

Moreover, Brain's eagerness to learn and adaptability to new situations have been particularly impressive. He has shown great enthusiasm in embracing new technologies and methodologies, contributing significantly to our team's continuous improvement and growth. His ability to quickly adapt to changing environments and his desire for professional development make him a valuable asset to any team.

Additionally, Brain is a team player with excellent communication skills, both in interpersonal and group settings. His positive attitude and ability to collaborate effectively with colleagues, regardless of the situation, have greatly enhanced the dynamics of our workplace.

In summary, Brain's dedication, reliability, and adaptability, combined with his skill set, make him an excellent candidate for any role he chooses to pursue. I am confident that he will bring the same level of excellence and commitment to his future endeavors as he has shown during his time at Nampharm.

Please do not hesitate to contact me if you require further information or specific examples of his work and achievements during his tenure with us.

Sincerely,

Mauritz van der Merwe

SURVEILLANCE DEPARTMENT

To whom it may concern:

I've been Brain's manager for some years. While I wish him only the best and fully understand that he must advance his career. It has been a pleasure having him on my team.

Brain is an enthusiastic, dedicated employee with reliable work habits. He often does not need guidance or supervision, but willingly accepts it when offered. He is consistently successful in improving his skills and he works hard to do so.

Brain is always willing to pitch in to help the team and he gets the job done right the first time. He is efficient in planning projects, punctual in meeting deadlines and conscientiously adhere to company standards and guidelines.

Brain is a valuable asset to any company and I recommend him as a rock-solid addition in any company.

Sincerely

Henzel Ockhuizen
Surveillance Manager
